pw: **JB2021**

For participants unable to access through the link, please contact the following email address:
traceresearchproject@gmail.com at least 24 h before the beginning of the seminar.

Journal Biographies gathers a series of **biographic contributions on architectural publishing**. By reflecting on the role of the **architect as editor**, Journal Biographies investigates the mechanics of **disseminating** architectural knowledge, **generating** disciplinary debates, and **translating** architectural culture to the written (and printed) format.
